

Transcript of video presentation on the company's SeedInvest offering site found under the section "Gallery":

What if we could change the way business is done!

What if large companies worked with startups?

Introducing SwitchPitch Connect

The revolutionary online platform where enterprises and startups work together

Enterprises create projects and publish to the marketplace

Startups submit proposals for enterprise companies - a modern-day RFP platform with a n online database of more than 15k startups

enterprises get lots of data: Founder data project portfolios ratings and more...

SwitchPitch ensures relevant startups apply

Providing an efficient and effective way to identify, qualify, engage and track innovative startups

Which ears startups valuable contracts

and earns enterprise valuable partnerships

whether you are a startup or an enterprise

SwitchPitch Connect will help your business grow
